

Stetson Field Use – Temporary Rules

Ch 1 effective 19 Jul 2020 (Change to 7 and 11)

These Stetson Field instructions are to prevent the spread of novel coronavirus infection as we resume our flying activities. The field will reopen Tuesday 19 May, as permitted by the province, and provided effective protocols are in place as follows:

Please read the following carefully before you head out to the field, particularly rules 1, 8, 9, 11 and 15.

- 1) **Stay home if you have symptoms**, follow screening and self-isolation protocols.
- 2) **Always follow good hygiene practices**; cough and sneeze into your sleeve/elbow; **avoid touching your face** unless your hands are clean; **clean your hands often**.
- 3) **Always maintain 6ft/2m distancing**. It is easy to be distracted and forget.
- 4) **Set up tables are 7 feet apart**, pilots may not use the same space between tables.
- 5) **Minimize surface contact**, pick a setup table; don't touch anything else.
- 6) **Clean your setup table** and anything else used (bench, chair) before you leave.
- 7) **Wear a mask at Flight School** or if 6ft/2m distancing must be compromised.
- 8) **Supply your own cleaners**, disinfectant, wipes, paper towels; take your garbage home; dispose of garbage in the dumpster once it arrives.
- 9) **Bring your own chair**, or use only one place at each end of the benches.
- 10) **Do not use the picnic tables**, BBQ or plastic arm chairs.
- 11) **Ensure your guests know and follow these rules**.
- 12) **Fly your models for a reasonable time** and leave; avoid lengthy socializing.
- 13) **Avoid sharing equipment**; if you do, clean the tools before and after.
- 14) **Toilet use**: Use provided sanitizer to clean hands; use provided disinfectant and toilet paper to clean seat, door handle and lock before you leave; clean hands with sanitizer on way out.
- 15) **Clean the gate lock and chain** with disinfectant when you open or close the gate.
