Squirrel-O-Rama is a **free** community workshop offered by Darcy Whyte, designer of the Squirrel. (<http://www.rubber-power.com>). The Squirrel is a rubber-power, free-flight airplane suitable for both indoor and outdoor fun. It is now build in many countries around the world. Come and check out Darcy's unique and rapid building methods.

Come out and have a brew, perhaps meet some new people and build a plane. No experience necessary. Model airplanes materials are supplied by Darcy Whyte.

Darcy Whyte is a software developer specialized in Social Media, SEO and Interactive Systems. He has been a model airplane enthusiast since he was nine and has been an active member of many local clubs.
